| SPCA | At all times and in every way, we are advocates for animals. We provide for their safety and comfort, strive to alleviate their suffering and work to place them in homes that provide a responsible lifetime commitment to them. We speak out publicly to promote and defend their interests. We oppose all forms of animal cruelty. We promote spaying and neutering to achieve and retain a no kill community. We oppose any taking of the lives of healthy or treatable animals and do not participate in such conduct ourselves. We provide services that promote responsible pet ownership and humane attitudes toward all life. | Remove Edit Charity |
